

# Introducing a SMARTer way to get MORE

## SMARTer Kids Grant for eInstruction Products

The SMARTer Kids Grant for eInstruction Products helps educators purchase eInstruction products for their classrooms. Developed by the SMARTer Kids Foundation, this grant helps K-12 schools, higher-education facilities, and technical institutions acquire interactive technology by making it more affordable and accessible.

### SMARTer Kids *Foundation*

Receive a grant for a 20% discount off the list price for 5 CPS infrared systems through the SMARTer Kids Foundation:

	List	w/Grant
5 24-pad CPS	\$7,500	\$6,000
5 32-pad CPS	\$10,000	\$8,000
5 40-pad CPS	\$12,500	\$10,000

Each CPS infrared System includes CPS software, response pads, receiver unit and carrying case. Software is a site license and is available for both PC and Mac platforms. Hardware carries a lifetime warranty.

Receive a grant for a 15% discount off the list price for 4 CPSRF radio frequency systems through the SMARTer Kids Foundation:

	List	w/Grant
4 24-pad CPSRF	\$11,600	\$9,860
4 32-pad CPSRF	\$15,400	\$13,090
4 40-pad CPSRF	\$19,200	\$16,320

Each CPSRF System includes CPS software, response pads, receiver unit and carrying case. Software is a site license and is available for both PC and Mac platforms. Hardware carries a one year warranty.

**Note:** Applications must come from the educational institution and may not be submitted by eInstruction or any of its authorized representatives on behalf of the educational institution.
